

Black Swan Rider

Altho' There Is A Road You Can Take
You Ain't Got The Power
You Ain't Got The Will
The Burden Is Too Heavy
Your Friends Are Fake
And No-One Will Help You
To Get On Top Of The Hill

Force Your Muscles, Force Your Brain !
You Gotta Make It Through The Rain
No Matter The Drops Of Sweat On Your Face
You Gotta Make It - Win The Race !

- Chorus -
Black Swan Rider, Storm Fighter
Riding With The Wind
Dive Into The Endless Ocean
Before The Rain Begins
Black Swan Rider You Got To Win !

Don't Believe In Stories, Sayin' It's Late
Just Keep On Climbin' Don't Ever Stop !
You Don't Have No Lover
You Don't Have No Mate
But Don't Lose Your Courage
Don't Let Yourself Drop !

Force Your Muscles, Force Your Brain !
You Gotta Make It Through The Rain
No Matter The Drops Of Sweat On Your Face
You Gotta Make It - Win The Race !
